

## ANNOUNCEMENT

### **Britec and RW&A Receive Top Honours from Sage**

Toronto, December 2, 2008 - Sage recognized Britec & RW&A for their outstanding achievements in 2008. Britec and RW&A walked away with four awards including:

- Top Sales Performer for 2008
- Most New Customers for 2008
- 2008 Outstanding Sales Award
- 2008 Partner of the Year

In September of 2008, Britec & RW&A merged to provide customers a more powerful set of solutions for managing their business operations. The acknowledgement by Sage reaffirms Britec as the Partner of Choice for its clients who rely upon our solutions to operate their businesses and maximize productivity.

#### **About Britec Computer Systems Ltd.**

With offices in Calgary, Edmonton, Red Deer, & Toronto, Britec offers a complete set of products and services including hardware, networking services, custom application development, reporting services, training, implementation and technical support for Sage BusinessVision. Britec also offers several award winning add-on products to enhance and extend your Sage BusinessVision system.
